

TOTO Is Selected as One of “TOP 10%” in S&P Global’s “The Sustainability Yearbook – 2025 Rankings”

TOTO LTD. (Headquarters: Kitakyushu, Fukuoka Prefecture; President: Noriaki Kiyota; “TOTO”) is pleased to announce that it has been **selected as one of the “TOP 10%” in “The Sustainability Yearbook - 2025 Rankings” compiled by U.S.-based S&P Global.**

As a provider of investment research and analysis worldwide, S&P Global assesses the aspects of economy, environment and society of major companies around the world, selects companies demonstrating outstanding sustainability, and publishes a ranking in its Sustainability Yearbook. In 2025, S&P Global assessed more than 7,690 companies worldwide across 62 industries, and 780 companies were selected.

Embracing its founder’s strong desire to “provide a healthy and civilized way of life,” the TOTO Group has strived to contribute to the development of society through its business activities for more than a century. In its Shared Value Creation Strategy TOTO WILL2030, the TOTO Group will position cleanliness, comfort and wellness, the environment and relationships as key materiality issues to be addressed as it works to promote sustainability management.

Through these initiatives TOTO will also solve environmental and social issues and achieve economic growth while contributing to the United Nations’ Sustainable Development Goals (SDGs).

New Shared Value Creation Strategy TOTO WILL2030

Cleanliness and Comfort; Wellness

Environment

Relationships

The New Shared Value Creation Strategy, TOTO WILL 2030, will simultaneously realize environmental, social and economic value. In it, we have established the materiality issues of cleanliness and comfort, the environment and relationships, that we will work on to integrate management and CSR and contribute to the achievement of the United Nations’ Sustainable Development Goals (SDGs).
