

## TOTO Is Selected as One of “Top 10%” in S&P Global's "The Sustainability Yearbook - 2026 Rankings"

TOTO LTD. (Headquartered in Fukuoka Prefecture, Japan; President: Shinya Tamura) is pleased to announce that it has been **selected as one of the "Top 10%" in the sustainability assessment of "The Sustainability Yearbook - 2026 Rankings" compiled by US-based S&P Global which is a global investment research and evaluation institution.**

S&P Global evaluates major companies around the world from economic, environmental, and social perspectives, selecting particularly outstanding sustainability leaders and publishing them in its Sustainability Yearbook. In 2026, S&P evaluated more than 9,200 companies worldwide across 59 sectors, with 848 companies selected.

For over 100 years, the TOTO Group has been working to contribute to the development of society through its business, guided by the strong desire of its founder to "provide a healthy and civilized way of life." In its shared value creation strategy, TOTO WILL2030, the group has identified "Cleanliness, Comfort and Wellness," "Environment," and "Relationships" as key issues to be addressed as "materiality," and is promoting sustainability management.

Through this initiative, TOTO will also solve environmental and social issues and achieve economic growth while contributing to the United Nations' Sustainable Development Goals (SDGs).

# Shared Value Creation Strategy TOTO WILL2030

## Cleanliness and Comfort; Wellness

## Environment

## Relationships

The Shared Value Creation Strategy, TOTO WILL 2030, will simultaneously realize environmental, social and economic value. In it, we have established the materiality issues of Cleanliness and Comfort;Wellness, Environment, and Relationships, that we will strengthen sustainability management and contribute to the achievement of the United Nations' Sustainable Development Goals (SDGs).
