Located on the most beautiful avenue in the world, the Hotel Barrière Le Fouquet's Paris offers a warm and cosy atmosphere created by the famous interior designer Jacques Garcia. This highly prized address offers a wide choice to its guests in terms of dining and relaxation with its brasserie Fouquet's Paris, its restaurant Joy, its three bars and its Spa Diane Barrière Paris imagined by the designer and interior decorator Chantal Peyrat. The hotel has 101 rooms and suites, including 3 Signature Suites and the Harcourt Paris Suite, the jewels in the crown of this Parisian jewel, all four equipped with the innovative TOTO sanitary facilities renowned for their technology and elegance. Between the refined Haussmannian style of the Signature Suites and the graphic and elegant style of the Harcourt Paris Suite, the TOTO products found in the bathrooms of these architectural jewels are an obvious part of the decor.
