

# THE WESTIN NANJING RESORT & SPA In Nanjing, Jiangsu

The Westin Nanjing Resort & Spa is highly anticipated to open in 2021. Located in Jiangsu Horticultural Exposition Park near the main exhibition hall, the hotel has 247 rooms, some of which are equipped with private hot-spring, 1,700 square meters of meeting space, an over 290 square meters of kids club and 3 outlets including an all-day dining restaurant, a Chinese restaurant and a lobby lounge. The design is an innovative display of traditional Chinese architecture that integrates modern design elements and catalyzes the chemical effect of the collision between ancient and modern with a broad view, which not only adapts to the local conditions but also resonates with people's sensibilities. This hotel delivers a new interpretation of lifestyle in Nanjing, empowering the Achievers who aim to regain control and enhance their well-being to be the best versions of themselves at Westin.

The hotel's 247 guest rooms are over 50 square meters, equipped with an outdoor balcony, taking advantage of natural light and offer breathtaking views of the surroundings. Some selected rooms feature private hot-spring tub. Sophisticated design and classic influences create welcoming spaces that inspire guests to relax and feel at home.
